Marville is a growing company and is looking for new faces to help build a brilliant future together.

It's a total look designed for leisure but perfect for everyday life. In 2007 Marville channeled its sales into monobrand stores, leading to a series of openings.

Its aim is to thoroughly saturate the Italian marketplace through the opening of new shops in historic city center locations, in Italy's leading shopping districts and in the finest and most select shopping centers.

Marville currently has several sales points and a prestigious flagship store in the heart of Milan.
